

# MAP Modeling Environment

## “An integrated modeling community”

---

### Quick Index

- Get Programmatic Information for NASA’s Modeling, Analysis, and Prediction (MAP) Program  
“News and information about the program, research, and investigators”  
<http://map.nasa.gov>
- Read MAP Project Scientist’s Discussions  
“A science community forum”  
[http://www.mapmodeling.org:1680/wiki/index.php/Main\\_Page](http://www.mapmodeling.org:1680/wiki/index.php/Main_Page)
- Access MAP Modeling Software  
“Pathways to obtain modeling source”  
<http://map.nasa.gov/software.html>
- Visit Model Developers’ Web Site  
“Interact with model software engineering experts”  
<https://modelingguru.nasa.gov/clearspace/index.jspa>
- Learn to Run Modeling Experiments  
“Run model experiments using the Software Integration and Visualization Office’s Workflow Tool”  
<https://modelingguru.nasa.gov/clearspace/community/mapmewkflow>
